thing orange)

17TH-19TH

Parent -
Teacher
interviews

FRI 20TH

BEACH SPORTS
DAY

Hello everyone,

I hope you all had a relaxing and enjoyable long weekend!

Miss Sly has been super busy over the past few weeks working with other colleagues from within our Partnership to plan, develop and improve our literacy block and more specifically the teaching of reading. I am proud of Miss Sly's enthusiasm for learning and her ability to put her new learning into practise. During reading, students have been discovering how the author describes characters and are using the skill of inferring to justify their opinions. They have also been learning about different viewpoints and how the author changes the moods in settings.

Improving the reading competencies of our students is our school focus and the staff and students are working on building a 'love for reading' culture. Can you help us build this culture? Perhaps the next time you speak to one of our students ask them what they are reading and to them about your reading. Have you joined our Community Reading Challenge? This will be a great way for you to show our students that people read for a variety of reasons. Please contact the school and sign up to the challenge today.

Our SRC have held several meetings this term. They have agreed that their core focus is:

Having input into teaching and learning

Grounds improvement

Fundraising

Raising awareness of issues in the wider community

Kindness projects

At our most recent meeting the SRC decided to hold a trading table on Good Friday in the Green Shed. This will be held from 10.00am to 12.00. Students will be involved in the planning, cooking and packaging food for sale, however if community members would like to donate items, that would be greatly appreciated. Items can be dropped off the morning of the Trading Table or at school on Thursday April 9th. All money raised is going towards upgrading the lunch shed. SRC also agreed to help the Governing Council with a Pizza night, so please keep your eye out for that upcoming event. All members of the SRC were involved in discussions about their learning and what they can do to 'lift' their learning. After many suggestions it was decided that all students are to 'be more focussed on their learning' and if this happens all students will see a lift in their learning. We will be exploring what 'focussed learning' looks like in our Pastoral Care lessons. Please talk to our students about the strategies needed to be a focussed learner, maybe the skills can be transferred into home and social activities as well.

Last week we were fortunate to have a quick visit from Port Adelaide Football Club members. They spoke to the children about the importance of diet and exercise and taught them some basic ball skills. It was great to have Ned and Zara join us for the session as well.

Our Governing Council meet Monday March 16th at 3.30pm. If you have any agenda items please forward them to Lauren Hannemann or Judith Rehn. It is fantastic to see that some of our sub-committees have been busy. We had the grounds committee meet with Julie & Sue this week about the front yard development, both fundraising groups have ideas and plans in place including our Tum-by Bay Bakery Order, don't forget to get your order in!

Next Friday, March 20th, is our annual Beach Sports Day with Ungarra. This will be held on the fore-shore in Port Neill so please come down and say hello. More information can be found in the newsletter.

The Book Club ladies are enjoying reading in the Dr Seuss Reading Room

ALISON'S PAGE:

Week 7 and we are on a roll. Hope you had a relaxing long weekend? Did you go anywhere or do anything special or just enjoy the time with your family?

I went to an “Essential Oils of the Bible” workshop in Tumby on the Saturday. It was very interesting and we got to smell some different oils and learn how we can still use them today. Oils like frankincense, myrrh, cedarwood, sandalwood and some other not so well known ones to name a few.

Harmony Day: We will celebrate Harmony Day this Friday 13th March. So dig out your orange clothes (if you have any) to wear on that day! I will do activities between Recess and lunch with the children.

RE: Our Term 1 Religious Education lesson will be held at Ungarra on Week 9—Tuesday 24th March—exact time still to be confirmed. We are very lucky to have the young SMG team coming up to talk to us about Easter then. We saw them last year at Ungarra and they are very entertaining.

Breakfast Club: Last week we had Scrambled eggs on toast (Makaiah has avocado on toast when we have eggs) and this week we had ABCD health muffins (made with apple, banana, coconut and dates) Next week we will have pancakes—thank you to the Hunt family for donating the pancake mixture for this! Parents if you ever see things on special (that do not go off) that you think would be good for breakfast club, please grab them or give me a call!

In the Classroom: I have attended two SRC meetings now, helped with art work and reading and writing in various lessons. I have also laminated work where needed, and enjoy the 10 minute relaxation (wind-down) the children do after lunch some days!

Lunchtime activities: I always hang out with the children at recess or lunchtime when I am there. Sometimes the children are happy to play games by themselves. Sometimes I do things with them. I go where I feel I am best needed on the day.

This week I did “taste tests” with most of the children. They had to close their eyes and test the food I gave them—cucumber, apple, plum, dates. They found it interesting to not know what they were eating and having to rely on their taste and feel and smell!

THOUGHT FOR THE DAY:

It's never too late to be whoever you want to be.

I hope you live the life you're proud of and if you find that you're not, I hope you have the strength to start over.

Til the next fortnight...

The students enjoyed a visit from the Port Adelaide Football Club. They had a great time learning new skills.

CLEVE AREA

Tenure: 20th April—20th December 2020 with possible ongoing.

Summary of Duties: meal preparation, supervision of students, purchasing of supplies, cleaning and domestic duties.

Accommodation included.

This position has the potential to be a flexible arrangement if more than one person is interested or a shared application is submitted.

For further information on the duties and a job and person specification please contact the school on 8628 2104.

The successful applicant would need to be willing to undertake a Criminal History Screening Check, Responding to Abuse and Neglect Training and First Aid Training.

Please apply with a written application to Mr Ray Marino, Principal, Cleve Area School, Second Street, Cleve SA 5640 or email to ray.marino639@schools.sa.edu.au

Applications close 9am Monday 16th March, 2020.

Looking after yourself in drought

Living in drought is tough and it is normal to feel stressed. Everyone manages stress differently and it is important to look after your wellbeing!

Identify the signs

- Give yourself space & time to respect emotions, try to accept that living in drought is tough
- Check in with yourself regularly around how you are feeling (refer to typical reactions sheet)
- Have visual wellbeing check-in reminders or set trigger points for when you know you need to take more care of yourself

Start to slow things down

- Assess your energy levels
- Find people to talk to, connecting & unloading can diffuse stress
- Focus on what you can control, not what you can't
- Avoid making big decisions until you feel able to but maintain control with small decisions

Simple (BUT IMPORTANT!) tips

- Do things that you enjoy, pleasure & leisure reduces stress
- Take time to wind down before bed to help you sleep
- Build in daily routine to try and avoid uncertainty
- exercise, eat well and sleep
- Make time to be together with family and friends

Safe Environments for Children and Young People (formerly Child Safe Environments) 1 Day Short Course

Anyone working with or providing services for Children in South Australia is a mandated notifier. This course provides information pertaining to the Children and Young People (Safety) Act 2017 and the associated obligations as a mandated notifier.

- At the end of this training you will be able to:
- Identify situations or behaviours of concern that warrant reporting to the Department for Child Protection
 - Demonstrate awareness of the Children and Young People (Safety) Act 2017 including the responsibilities of individuals, mandated notifiers and organisations who provide a service to children and young people
 - Understand trauma related behaviours and indicators
 - Consider appropriate ways to respond to disclosures of abuse
 - Understand the process of reporting to the Child Abuse Report Line (CARL) and the elements of an effective notification

Trainers are Department of Education approved and registered.

Location: TAFE SA Port Lincoln Campus
Date: Tuesday 17 March 2020
Time: 9:00am – 5:00pm
Cost: \$125 per person. Organisation bookings available.

To register, please visit the TAFE SA website: tafesa.edu.au/children
