**Week 9**

**2021**

Hello Everyone! Week 9 term 4!

The performance last Friday was a fantastic way to show the great opportunities that Port Neill Primary offers for all their students. After a week working with "Theatre Bugs", Ben and Alice, the students were able to put on a performance that made them learn scripts, songs and dance and make costumes required for the night. Well done to Miss Sly who spent many hours working with the students, Gemma who supported them on the night and Katie from Tumby Bay Area School who helped with preparing the students. A special thank you to the Governing Council who prepared the meals for everyone. Also all the staff who spent many hours organising this great night.

As you are all know this is my last newsletter for Port Neill Primary, so I will take the opportunity to say a big thank you to all the staff, students, families and community that have made my stay at Port Neill a very memorable experience.

Thank you to the Governing Council, they are all very supportive of the school needs and make many suggestions that support the schools growth and give the children great opportunities to learn.

On Wednesday this week we thank all our volunteers who have graciously given up their time to support the school's bus run over the past five years. We also presented the Rowan Ramsey Award to Janet Shepherd for her continued support at the school and in the Community.

To the staff Olivia, Deb, Julie, Luran, Gemma, Sue, Mel and Alison. Thank you all so much for your support and guidance over the past 3 terms and all the best to you all in the future.

Finally I would like to thank all the families for the ongoing support that you have given the school and myself for the past 3 terms and I wish all the students, staff and families all the best for Xmas and a bright and prosperous future.

Thank you all.

Terry

On behalf of the staff & students we would like to wish Cathleen and Terry  
all the best for their future endeavours!

# ALISON'S PAGE:

Well that is 2021 done and dusted—And what an exciting busy year it turned out to be! Hope you all have a fantastic holiday and all come back refreshed and ready for new adventures next year!

Oliver week: Week 8 was an awesome (and very tiring) week with Alice and Ben from Theatre Bugs. Well done especially to Miss Sly too who worked extremely hard helping to keep things running smoothly that lead to an amazing performance on the Friday night. So proud of you all—and I will never forget those songs which will be stuck in my head for all time now!

School Bus Run: Thank you so much to all the Volunteers who gave up their time and helped drive the Community Van for the school bus run over the past 5 years. The run grew from 3 children up to 7 children and we are now able to get our own DECS bus in 2022!

Breakfast Club: Last week as a special treat we had bacon and eggs and toast and juice for Breakfast Club! Thank you so much to Inter Church Council for paying for this for our little school—everyone appreciated it! Sorry I was so busy I did not take any photos of the kids enjoying it.

Kimochi Time: I introduced the children to “Bug” in Week 7—our new Kimochi. He is small and needs to be brave but when he does his wings come out and he can fly! Looking forward to introducing him to the new Receptions next year. He is great to talk about for those in new situations who may be a little scared.

Special farewell: to Mr Casey — it has been a pleasure getting to know and work with you the last three terms. All the best in Ceduna next year.

*All the best!*
