KINDNESS

Thank you for welcoming me back into your school as the Acting Principal for the remainder of the school year. I enjoyed my time at Port Neill Primary School in Term 2 and am excited about this opportunity to be a part of this great community.

During my 20 year teaching career, I have spent the last 4 ½ years teaching in the Junior Primary class at Ungarra Primary School. Over this time, I have learnt the value of how small schools operate and how relationships are at the heart of this. With this in mind I look forward to getting to know the school and wider Port Neill Community over the next 2 terms.

I have 3 girls of my own Georgia 15, Jessica 13 and Willow 8 who are very busy in both their schooling and sporting arenas. My husband Justin grew up on the Eyre Peninsula and when the opportunity presented for him to return home in 2009, we knew that this was a great place for us to live, work and raise our family. As the warmer weather gets closer we plan on spending time in Port Neill and the surrounding areas visiting the beautiful beaches.

I have taken the last couple of days to observe all of the great work and learning that continues to occur in both classes. On Tuesday I had the opportunity to teach the whole school, while Oliva and Lisa attended a training and development as part of our Portfolio of schools. As part of this training they were engaging in a Professional Learning Community, exploring and deepening their knowledge around the English curriculum area and are very eager to bring this learning back to their classrooms.

Next Wednesday students and staff will be travelling to Ungarra Primary School to participate in a Science Week activity, focusing on the theme "Glass: More than Meets the Eye", so stay tuned for photos of some fantastic art pieces.

Enjoy the weekend and the rain while we have it.

Teacher Mrs Linnell

Hi, students' families and carers,

My name is Lisa Linnell and I am the Year 3,4,5,6 teacher at Port Neill Primary School for Semester 2. I am so excited to be your child's teacher and I look forward to a semester of learning, fun and adventures. I can't wait to learn all about you.

I have been teaching for 15 years either as a classroom teacher or when facilitating the Kitchen Garden and Nature Play programs. For the last 10 years I have been teaching at Elizabeth Grove Primary School.

I have 3 daughters and 2 grandchildren, that I love to spend time with.

Kind regards,

Mrs Lisa Linnell

CLASSROOM NEWS

WEEK 3

Design and Technology

This term in Design and Technology students will take part in a unit of 'How does your garden grow'. They will explore plants and growing environments to design a sustainable food producing garden.

LOCAL WALK

To engage students with this unit, students walked to the local community garden at Anear Park. Students used their senses of smell, sight, touch, and taste to try and recognise the different herbs.
