

## Primary student use of mobile phones and personal devices

### Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

### Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

### Storage of personal devices

Students are expected to hand their phone in to the classroom teachers during roll call. Phones handed in to teachers will be delivered to the front office and stored there in sealed containers until the end of the day when they will be returned to students

### If the student does not comply

Students who choose to use their mobile phones for any reason will first be issued with a warning. Students will be required to give the phone/device to a staff member and it will be securely stored in the school office until the completion of the school day when they can be collected by students. Students who choose to use their mobile phones for any purpose for a second time within a calendar year, will be issued with an internal suspension. Students are required to give the phone/device to a staff member and it will be securely stored in the school office so that the parent/carer of the student may collect the phone at their earliest

convenience. Students who choose to use their mobile phones for any purpose for a third time within a calendar year, will be suspended consistent with our school Behaviour Management Policy. Students are required to give the phone/device to a staff member and it will be securely stored in the school office so that the parent/carer of the student may collect the phone at their earliest convenience. Students who refuse to give their phone/device to a staff member will need to be collected by their parent
