TERM 4 WEEK 3

Resilience

Respect

Teamwork

Kindness

Hello everyone,

We are in week 3 and rapidly approaching the middle of term 4! Last term finished with our upper primary students on their school camp to Adelaide and our Junior Primary students participating in a range of excursions and a sleep over! All students and adults enjoyed themselves and participated in a wide variety of learning experiences.

Term 4 started with the following...

Preschool Transition

We welcome Lainey, Harry and Vinnie to Port Neill Primary School. These three little learners started their transition to Port Neill Primary in week 2 and are taking on school life with vibrancy and enthusiasm. Their transition concludes with a full day of school in week 5.

Port Neill Primary School Sustainable Mini Market

The purpose of the market was for students to showcase the sustainable and innovative products they had ideated and created as part of their learning throughout the previous term. In addition to this they also learnt the essentials of how to organise and run a market stall. The market was a very exciting and rewarding time for the students as they got to see their learning and hard work come to fruition and shared this with the wider community. It was fantastic having other stall holders; cREated on Eyre, Mount Greenly Stonework, The Men's Shed, Next Gen Waste Co., Jodie Millard and Rose Secker participating in our market as well, many thanks to them for supporting the event and the children. Gemma Leonard was fabulous volunteering her time to sing and provide a true market vibe with both her own voice and Ava's. It was a real treat to have a take-away meal available on the night. Thank you to Governing Council for providing the nachos and sausages, these were delicious and well received by community. The Market night was a wonderful opportunity for our children to share their learning and showcase their product ideas with community, thank you to everyone who supported it, the event was a great success for us a school.

Future Anything National Semi Finalists

Throughout the year, the upper primary students have participated in the national Future Anything program. They have created a sustainable innovative product idea that they could sell or pitch at a market. Congratulations to Caitlin Rehn and her product idea, *Mood Circuit* and Gypsy Thompson's product idea *Gypsy Soul* who last week pitched in the National Semi Final. They were amongst the selected 40 participants from 250 applicants who made it to the semi-finals. Both girls pitched amazingly well and while they did not progress into the National Grand Final they should be very proud of their efforts.

Lawn Bowls, Surf Ed and Poodra Springs

We have also been busy in the first 3 weeks of term participating in lawn bowls. Many, thanks for Kym and Janet Shepherd and their troop of helpers for continuing this tradition with our students. Upper Primary students have had Surf Education lessons and last week we learnt all about Jasmin Piggot's native flower business with a visit to Poodra Springs. This learning aligned to many learning areas; science, art, HASS to name a few.

It has been a busy start to term and its great to see students engaged and willing to learn and take on new experiences. It is also fantastic to have Alison back with us for one lunch time activity each week. Our teachers continue to embed their pedagogy coaching strategies as we climb our way across our PNPS improvement bridge.

Like always, please contact the school if you would like to know anything further.

Best wishes,

Lisa Masters

Transition

In week 2 we welcomed three children to the Junior Primary Class for Reception Transition. Vinnie, Harry and Lainey have been busy with maths activities, puzzles and rainbow fish over the past 2 weeks. We look forward to having them for two full days in the following weeks!

UPPER PRIMARY ADELAIDE CAMP!

Our Upper Primary class had an a amazing time visiting Adelaide on Camp.

UPPER PRIMARY ADELAIDE CAMP!

Thank you for coming to
our Mini Markets....
