Hello everyone,

Cleve Area School Transition

We wish Caitlin and Estelle all the best with their transition to Cleve Area School this Friday. Caitlin and Estelle have been at Port Neill Primary since their Reception year and will next year begin their high school journey at Cleve. Can you think of the last child or group of children who completed their entire primary school at Port Neill?? We have an idea and believe it was about 15 years ago, we would love to hear what you think.

Theatre Bugs

From December 4th to 8th our students will be involved in a week's intensive drama, dancing and singing instruction which will result in their end of year musical performance. Our Governing Council fund Theatre Bugs and their travel and Rick and Julie Will have kindly donated accommodation for the two teachers.

Our most recent Student Wellbeing and Engagement data showed us that compared to the rest the state we have a higher percentage of children who do not participate in music or art outside of school. Having the opportunity for our children to explore and participate in music, dance and drama with qualified instructors in this area can challenge our students but also be a rewarding experience.

Governing Council

Governing Council have the last meeting for the year on Wednesday 29th November at 3.30pm. Due to an early harvest we were unable to have to a meeting earlier this term so there are several important discussions that need to be had to finalise 2023 and to prepare for 2024. Please make the effort to come along and send agenda items to Hannah Woolford.

Student Free Day

Governing Council have approved a Student Free Day for Monday December 11. Teachers will be working with Karen O'Rielly, Curriculum Lead, to further unpack the concepts of the curriculum. Our big picture is to integrate these concepts across learning areas, for students to experience deeper and more challenging learning, which they can then transfer to positively impact their community.

Our Strategy

As a staff we have delved into familiarising ourselves more with the Departments new strategy and aligning it to our school context. Port Neill Primary has always had 'developing the whole child and a holistic education' at the heart of everything we do. This has made our learning about the new strategy more of a deeper think and progression for us rather than something completely new. I look forward to sharing our draft alignment to the strategy with our school community.

Best wishes,

Lisa Masters

Space Industry Community Briefing

22 NOVEMBER

PORT LINCOLN HOTEL

YOU ARE INVITED!

The Andy Thomas Space Foundation is proud to host the first Makers Project Space Industry Community Briefing in Port Lincoln. This event, made possible through the Commonwealth Governments Maker Project - STEM Engagement Grant, is intended to share the scope, capabilities and opportunities stemming from Australia's growing space industry with the local community.

THE DETAILS:

Date: Wednesday 22nd November 2023

Time: 5:30-7:30pm

Location: Port Lincoln Hotel

Agenda: Hear from South Australian space industry experts discussing career pathways, the importance of Space in Australia and the EP's role in this growing sector. There will be audience Q&A time at the end of the sessions so please feel free to join the conversation.

Extra Information: There will be tea/coffee and sweets provided.

JOIN US TO HEAR FROM INDUSTRY EXPERTS!

- Michael Davis AO - Chair at the Andy Thomas Space Foundation
- Helen Loudis - Assistant Director, Civil Space Policy at the Australian Space Agency
- Eamon Lawson - Regulatory Lead at Southern Launch
- Amy Featherston - Communications & Media Manager at Southern Launch

REGISTER TO JOIN US!

Please register your attendance via either the QR code, or the link here > <https://events.humanitix.com/space-industry-community-briefing>.

Whilst we would love to know numbers for catering, if you don't get a chance to register, please attend anyway - we would be so pleased to see you there!

WE ARE ALSO IN TOWN FOR THE EYRE PENINSULA SPACE EXPLORERS STUDENT SHOWCASE!

Taking place on Thursday 23rd at Tumby Bay Soldier's Memorial School, students will showcase the projects they have spent the semester designing. Hear more about this exciting program at the community night!
