

We are nearly at the end of a very busy term 1- 5 days to go! Yet again the weather blessed us with two consecutive Fridays of perfect conditions for Combined Sports Day and Beach Sports Day. Huge effort for many parents to get both days off work or commitments and be there for your children- thank you!

We would love to hear your feedback so we can do better in the future. A survey link was sent out on the school phone for each school event. Survey's will close at the end of term. If you didn't get the link via message, please see the QR codes to the left for surveys.

Chocolate Boxes were a popular fundraiser this year! Please pay for your box or return envelopes by the end of the term.

Swimming Week 11- Students will be traveling by bus to and from Port Lincoln Leisure Centre next Monday, Tuesday and Thursday for swimming lessons. Please bring back your consent form and make sure to attach health plans if applicable. Don't forget to also let us know if you are collecting students from the pool.

Parent Teacher Interviews A great turn out with parents attending parent teacher interviews last night and again tonight. It's a pleasure to share students learning achievements and to maintain positive connection with your child's teacher.

Gratitude and Thanks

- Sue and Andrew Liddicoat for their continued work on our grounds.
- Hannah and Ned Lienert for oiling the Upper Primary deck.
- Deb and Brad Davey for their kind donation of a chook feeder for our fluffy friends.
- Governing Council members for organising Sports Day catering for Morning Tea and Shed fundraiser.

CONGRATULATIONS Alexis Hammond- competing in SAPSASA Softball last week in Adelaide. Alexis' really enjoyed playing on first base, achieving 2 run outs and catching another out. Something that challenged her was playing with a group of unfamiliar girls with varying abilities and catching which put pressure on her knees. Alexis was able to experience multiple positions and leadership on the field. A great opportunity to experience, Alexis!

Awesome achievement by Maggie & Austin who won the Sportsmanship awards for Port Neill Primary.

Sports Day 2025

Well done to our record breakers Georgie in the high jump and Tex in the long jump.

Students from Port Neill Primary, along with Poonindie and Ungarra schools, enjoyed a fantastic Sports Day in Port Lincoln. With near-perfect weather, the children showcased great sportsmanship, gave their best efforts, and had plenty of fun. A huge thank you to the parents, grandparents, and community members who contributed to the successful Morning Tea stall—funds raised will support our resource shed. An amazing day for all involved!

PNPS are running a Pictureproducts melamine plate fundraiser and we'd love you to join in. Your child's unique artwork is transformed into durable, high-quality melamine Pictureplates that will last a lifetime.

They can use photos, textas, pens, paints, craft dyes, handprints and footprints to create their artwork, and you can have as many copies made as you'd like, so it's a fantastic gift idea for other family members.

Pictureproducts also offer a range of other products decorated with your child's artwork, such as plastic or ceramic mugs, water bottles, tote bags and calendars.

How to get involved

1. Collect the drawing paper from PNPS front office and create your artwork with pens, paint, stickers, fingers, feet and photos—the brighter the better! Photos should be large, clear and bright (close-ups work best). ****Don't use pencils, crayons, highlighters or glitter****

- Return your drawings to Abby Harris or PNPS when complete.

- **Drawings are due in by end of Term 1 (Friday 11th April 2025)**

2. Choose which products, and how many of each, you'd like to order. Fill out the order form at the end of this letter and return it to Abby Harris or PNPS front office.

- Return cash with your order form, or

- EFT to PNPS, BSB: 633 108, ACCT: 144 734 506.

- **Orders and payments are due in by end of Term 1 (Friday 11th April 2025)**

3. We will let you know when your order is ready for collection from PNPS. The estimated date for receiving the finished products is late May 2025.
